1.OUTCOME BASED EDUCATION-CO PO MAPPING

Dhanalakshmi Srinivasan College of Arts and Science for Women (Autonomous) in Perambalur conducted a highly successful workshop entitled "PO & CO Attainment" in partnership with the Internal quality assurance cell. The event took place on 28th April, 2022, and aimed to enhance the participants' understanding PO & CO attainment in their teaching practices. The workshop garnered enthusiastic participation from all faculty members of the college. Throughout the duration of the event, the faculty members actively engaged in a variety of sessions of the workshops and gaining valuable insights. Around 250 faculties participated in the one-day workshop Program.

2. WORKSHOP ON CO PO ATTAINMENT

Dhanalakshmi Srinivasan College of Arts and Science for Women (Autonomous) in Perambalur conducted a highly successful workshop entitled "PO & CO Attainment" in partnership with the Internal quality assurance cell. The event took place on 28th April, 2022, and aimed to enhance the participants' understanding PO & CO attainment in their teaching practices. The workshop garnered enthusiastic participation from all faculty members of the college. Throughout the duration of the event, the faculty members actively engaged in a variety of sessions of the workshops and gaining valuable insights. Around 250 faculties participated in the one-day workshop Program.

3.. FDP ON LEADERSHIP SKILL AND STUDENT MANAGEMENT

Dhanalakshmi Srinivasan College of Arts and Science for Women (Autonomous) organized one day Faculty Development Program on 30.04.2022 titled “Leadership Skills and Student Management”. This program was aimed to facilitate the continual growth of the teaching faculties and to assist them in identifying and accomplishing specific leadership and departmental goals. The session focused on learning and practicing specific leadership behaviors shown to facilitate exemplary leadership, learning and practicing skills that foster personal growth and leadership capacity, including, identifying and using character strengths, and identifying and using emotional intelligence. Around 270 faculties participated in the one-day Faculty Development Program.

4.. NATIONAL SEMINAR TONE YOUR TEEN ENLIGHTEN ON COMMON ADOLESCENCE GYNECOLOGICAL PROBLEMS

The national seminar entitled “Tone your Teen enlighten on common adolescence gynecological problems” organized by Department of Biochemistry on March 11, 2022, aims to enlighten the common adolescence gynecological problems. It provides an opportunity for students and visitors to explore the problem faced by the adolescence and its impact in modern society. The seminar feature informative awareness among students. The Chief Guests for the seminar include Dr. Ganavi Ramgopal, Professor & Head, Department of Pediatrics, and Dr.Pillai Arthi Karunanidhi, Professor, Department of Gynecology, Dhanalakshmi Srinivasan Medical college and Hospital, Perambalur.

The poster is a light blue rectangular card with a black border. It contains text in various colors (black, red, blue, orange) and fonts. At the top, there are two small logos: a circular one on the left and a shield-shaped one on the right. The text is centered and reads: 'DHANALAKSHMI SRINIVASAN COLLEGE OF ARTS & SCIENCE FOR WOMEN(AUTONOMOUS)' followed by affiliation details. Below this is the 'DEPARTMENT OF BIOCHEMISTRY' and 'BIOPEARL ASSOCIATION'. The main title of the seminar is in red and blue. It lists two resource persons with their names in orange and blue, followed by their titles and departments. At the bottom, it provides the date, time, venue, and a welcome message for all attendees.

5.NATIONAL WEBINAR ON CORROSION CHEMISTRY THEORIES & PRACTICES IN THE PREVENTION

The national webinar entitled “Corrosion Chemistry Theories & Practices in The Prevention” organized by Department of Chemistry on June 25, 2021. It provides an opportunity for students to understand the theory and practices in the corrosion prevention. The seminar feature informative insights among students. The Chief Guests for the webinar include Dr.R. Rajajeyaganthan, Assistant Professor, Department of Chemistry, Kalasalingam Academy of Research and Education. Around 200 students participated in the one-day webinar Program.

The poster is for a webinar titled "Corrosion Chemistry Theories & Practices in the prevention". It is organized by the Department of Chemistry, Chempark Association, at Dilanalakshmi Srinivasan College of Arts and Science for Women. The college is affiliated to Bharathidasan University, Tiruchirappalli, and is nationally re-accredited with 'A' Grade by NAAC. The resource person is Dr. Rajajeyaganthan.R, Assistant Professor in Chemistry, Deputy Director – Academic Science Stream, Kalasalingam Academy of Research and Education, Krishnankoil – 626128. The webinar is scheduled for June 25, 2021, from 10:00 AM to 11:00 AM. Registration and attendance links are provided, along with a note that an E-Certificate will be provided.

9.NATIONAL CONFERENCE ON NATURAL LANGUAGE PROCESSING AND COMPUTATION (NCNLPC'22)

The national conference entitled “Natural Language Processing and Computation” organized by Department of computer applications & Computer Sciences on April 22, 2022. It provides an opportunity for students to understand the breakthroughs in Natural language processing and computation. The conference provides innovative ideas among students. Around 100 students participated in the conference.

10. NATIONAL WORKSHOP ON LATEX

The national workshop entitled “LATEX” organized by Dhanalakshmi Srinivasan college of arts and science for women on April 21, 2022. The workshop provides informative insights among students. Around 100 students participated in the one-day workshop Program.

11.AWARENESS PROGRAMME ON ELECTRONIC WASTE MANAGEMENT AND LIFE CYCLE ASSESSMENT FOR ELECTRONIC EQUIPMENT

The Awareness programme entitled “Electronic Waste Management and Life Cycle Assessment for Electronic Equipment” organized by Dhanalakshmi Srinivasan college of arts and science for women on December 12, 2021. It provides an opportunity for students to understand the knowledge in electronic waste management. The programme provides informative insights among students. The Chief Guests for the programme include Dr.A.Viswanathan, Associate Professor, Department of Physics, Anna University. Around 200 students participated in the Awareness Programme.
